

These rituals are our signature treatments and are not to be missed, fantastic to give as a gift or for when you need a well deserved treat and unwind. All our of rituals start with our signature welcome tea and ceremonial foot ritual.

### **Pinks Boutique Spa Body Ritual**

Relax and unwind while your therapist exfoliates your body with our luxury organic sugar scrub. Feel your stresses slip away while hot towels soothe the body ready for the next delight. Thai, Indonesian and Himalayan inspired massage techniques and hot rocks complete this mind and body encounter that invigorate your senses and soothe your soul.

**90mins £59**

### **Pinks Boutique Spa Face Ritual**

Relax and unwind while we cleanse, exfoliate and condition your back before your Pinks therapist embarks on your face ritual. Hot towels, aroma changing water and organic deep cleansing start this amazing facial delight. Bamboo polish is rain-dropped over the skin whilst Elixir sprays awaken the senses. Powerful penetrating masques and intense moisturisers restore the skin to its natural balance. Inspired by the orient you will discover Thai, Indonesian and Himalayan techniques and massages exclusive to Taizen.

Includes hot rocks.

**105mins £79**

### **Pinks Boutique Spa Pedicure Ritual**

Feet are cocooned in hot towels before being immersed in hot water. Feet are then showered and soaked in Himalayan mineral crystals while you relax and unwind. Stresses of everyday life melt away while your Pinks therapist completes a pressure point scalp ritual. A natural pumice removes hard skin before essential and thorough nail and cuticle work is carried out. Our Indonesian massage leads into a reflexology inspired stick foot massage and hot rocks exclusive to Taizen. To complete or foot experience feet and heels are coated in our super hydrating balm and varnish is applied.

**90 mins £49**

### **Pinks Boutique Spa Manicure Ritual**

Unwind and relax on our Indonesian decorated couch while your therapist performs this luxury experience. Hot towels cleanse the feet and hands before the manicure journey starts. Fresh zingy limes clean the nail and hands are soaked amongst Himalayan mineral crystals and fresh petals whilst scalp pressure points melt away every day stresses. An organic hand and arm scrub leads into a massage with a difference. Using Indonesian massage techniques the arms, shoulders and head are worked upon in our signature massage ritual exclusive to Taizen. Includes hotrocks. Cuticles are conditioned and tided and nails are cut and filed. Hands are coated in our super hydrating balm.

**75 mins £39**
